

The background of the slide is a light blue gradient with large, soft watercolor splashes in various shades of blue and purple. These splashes are centered around the text box, creating a textured, artistic feel. The text box itself is a solid white rectangle with a thin blue border.

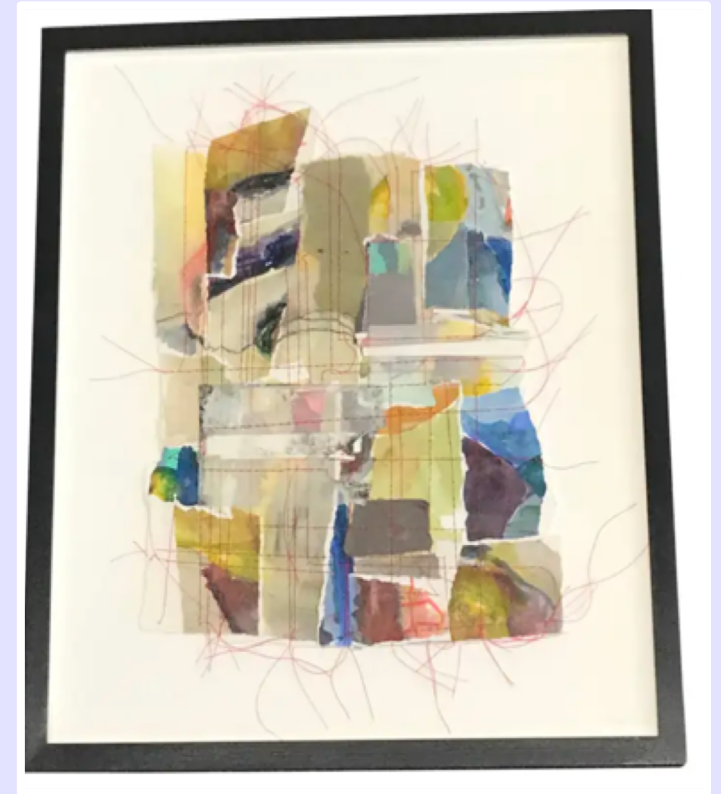

# Watercolor Play

# Project Overview

- Creating watercolor collages that focus on process and experimentation.

# Sandra Constantine

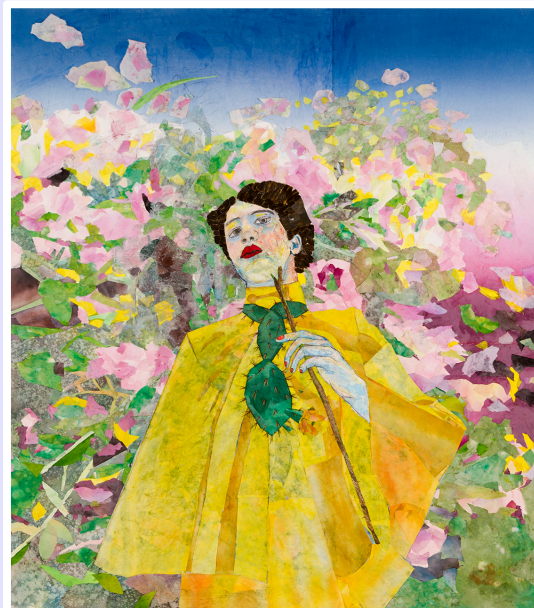

# Beth Marcil

# Maria Berrio

# Project Details

- Requirements for your watercolor collage:
  - Contains experimentation of watercolor techniques that are collaged by ripping/cutting and gluing on paper
  - Finished Product creates an interesting composition
  - Productive working throughout classes / growth and improvement.
  - Artist statement that reflects on the process and product
- Many ways to approach this project!
