

Animal Appreciation (Day 1)

Materials

- Elmer's Glue
- Scissors
- Popsicle Stick
- Balloon(s)
- Newspaper / scrap paper
- Bowl (for mixing Papier Mache glue)
- Water
- Cup (to place balloon on: a natural pigment cup from last week works)
- Tape (masking tape)

Rise of Endangered Animals

- Endangered animal: any species that is very likely to become extinct (or gone) in the near future
 - Climate change, habitat loss, poaching, invasive species
- Every day, around 150 species go extinct
- Helping through art advocacy

Suzanne Breakwell

- Papier Mache art inspired by her love for the natural world

Barn Owl

Badger

Wren &
Wildflowers

Hares

Hepatica & Bee

Hoopoe

Mammals

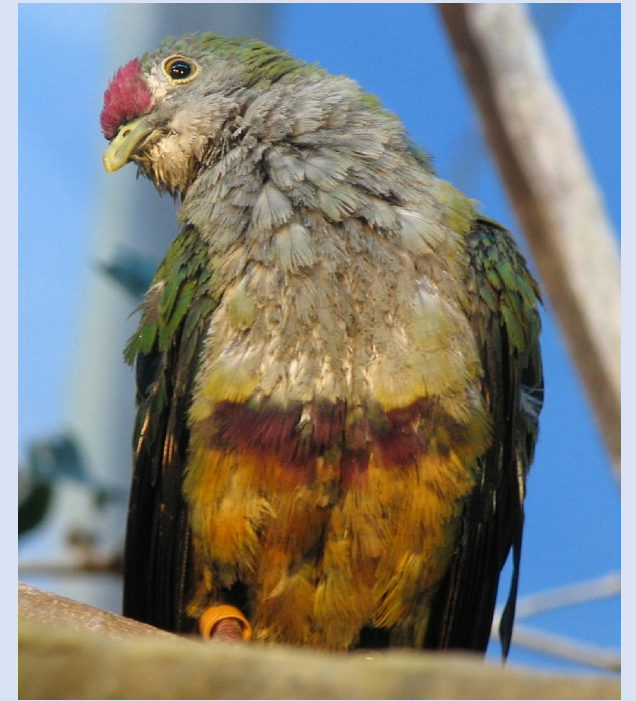

Amphibians and Reptiles

Fish

Birds

Animal Appreciations: Day 2

Materials

To paint:

- Acrylic Paint (plastic cartons)
- Brushes
- Egg carton palate
- Cup of water
- Paper towel sheet / something to dry paintbrushes with

If needing to finish Papier Mache / attach parts:

- Glue (hot glue gun or Elmer's) (to attach parts)
- Glue mixture, newspaper strips, masking tape (to Papier Mache)

Closing Activity

- In your sketchbook, use colored pencils to draw the landscape that your endangered animal lives in
 - Can look it up on your computer if need be
- Write down the answer to the following questions:
 - 1. Do you think this environment is changing?
 - 2. What do you think is causing this change?
 - 2. Is the changing environment a reason why your animal is endangered?

Materials for next week

- Paper (large rolled sheet)
- Pencil
- Colored pencils
- Paint
- Paint brushes
- Palate
